

Journey back into time...

• Looking toward South Baldface from Little Deer.

FACILITIES: Kerosene lanterns provide light for guest cabins. If you are unfamiliar with their use, please ask. Fireplaces provide heat & the firewood is free. The central shared bathrooms have electricity and hot and cold running water. During the summer season, sheets, pillowcases, blankets, and towels are provided.

THINGS TO SHARE: Evening programs are often presented by guests. If you have slides to show, a skill to demonstrate or some activity others would like to participate in, please bring materials with you. Evening programs are coordinated through the managers.

MUSICAL INSTRUMENTS: Many people bring along something to play at sing-alongs, at pick-up jam sessions or at the traditional Friday night talent show. All instruments are welcome, but remember that sounds do carry especially at night. There is a tuned piano in the Recreation Hall.

CAMP CUSTOMS: Parents supervise children. Trips are announced at breakfast. The library is a sanctuary of quiet. Pets are left at home.

REDUCE, REUSE, RECYCLE: We promote reuse and recycling wherever possible. To eliminate certain paper products, we have washable cups at the drink table. Please bring your own cloth, nylon or insulated lunch sack (or you can purchase one at Camp). This avoids throw-away paper bags. Extra bandannas make good napkins.

What is for sale at Camp?

Only lunch sacks, AMC trail guidebooks, CTA trail maps, CRC patches, T-shirts & cups are available in the office. Postcards, stationary and stamps are in the lodge.

PAYMENTS & CANCELS: Please come prepared to pay the balance of your bill with either cash or check. We are unable to process credit cards. Cancellations that are (a) received prior to 5/30 forfeit half of deposit, (b) received after 5/30 forfeit entire deposit, and (c) received within 2 weeks of arrival will be charged for full scheduled stay. **DEPOSITS ARE NOT TRANSFERABLE**

• Many great hikes start from the front porch of Cold River Camp's Conant Lodge.

Suggested Gear

For Around Camp:

- ☐ Flashlights (one per person helps)
- ☐ Extra batteries for your flashlights
- ☐ Bug repellent (stick or lotion)
- ☐ Warm clothes
- ☐ Bathing suit and beach towel
- ☐ Water shoes, rubber sandals or thongs
- ☐ Things to share and do (books, crafts)
- ☐ Battery lantern (optional) if you choose not to use kerosene lamp in cabin.

For the Elements:

- ☐ ☀ Sun screen and lip cream (30 spf)
- ☐ ☀ Sun glasses and sun hat
- ☐ ❄ Wool (or pile) hat and gloves
- ☐ ❄ Wool (or pile) sweater
- ☐ 🌬 Wind breaker
- ☐ ☔ Rain gear for body, head, and feet

For Hiking:

- ☐ Sturdy hiking boots and extra socks
- ☐ Day pack
- ☐ Reusable lunch sack
- ☐ Water bottles (quart or liter size)
- ☐ Shirts and pants for all temperatures
- ☐ Emergency whistle
- ☐ Guide books and maps
- ☐ Camera with extra film
- ☐ Personal first aid kit (bandages, ace bandage, moleskin, bee sting kit)

September Season:

Should you be arriving 9/2 or later, please remember there is reduced service. Meals are served cafeteria style. No linens or towels are provided. A warm sleeping bag is recommended. While there are just a limited number of organized trips after 9/2, many experienced guests at Camp will be glad to share their knowledge of trails.
