## CHAIRMAN'S LETTER

Bedford, MA, January 2004

Dear Cold River Camp Friends,

Cold River Camp is a special place to many people. The uniqueness of the Camp and the experience that it offers each of us are largely due to the work of the many volunteers, trip and naturalist leaders, trail keepers, and of our summer and fall season managers and staff that collectively continue the many traditions of Cold River Camp. Because of them, Cold River Camp continues to be fiscally sound and well maintained, while providing a unique experience in the Evans Notch valley. As an AMC volunteer-managed facility, Cold River Camp provides an opportunity for all of us to share our talents and abilities to care for the Camp.

As we look forward to the 2004 Season, I am pleased to tell you that Bill and Kathy Waste are returning as Camp Managers, Meg Holland will be the Summer Assistant Manager and Paul Klee will be returning as Fall Extension Season Manager. We look forward to their making your visit to the Evans Notch area a wonderful experience of hikes, canoe trips, naturalist activities, good food and great company.

As many of you know, Cold River Camp, under oversight of the AMC, has been improving its facilities and procedures to assure the safety, accessibility, and comfort of our guests. A Facilities sub-committee, chaired by Frank Mastro, has done an excellent job in coordinating our improvements. In keeping with the traditions of Cold River Camp, most of these changes are hardly noticeable, and for those that are, we hope that the consideration of your safety and comfort is recognized.

**PLEASE NOTE** a change to our reservation process this year is the requirement that all individuals who attend Cold River Camp must sign an "AMC Acknowledgment and Assumption of Risks & Release and Indemnity Agreement" Form. These forms must be returned with your reservation or the reservation will not be considered. *(Forms for individuals under 18 must be signed by one or both parent(s) or legal guardian(s)).*

The institution of this form for Cold River Camp and other Volunteer

*(Continued on page 3)*

Managed Facilities is now a requirement of AMC. The club's liability insurance premiums have increased drastically. In the past two years there have been two serious accidents on volunteer led trips. AMC and their liability insurance underwriter have included the use of a liability waiver as part of the AMC's overall risk management program for their facilities and activities (*details on page 5*). Questions about the form or its use should be addressed to AMC. We at Cold River Camp will continue to operate our facilities and programs in the same manner as before to provide for you a safe outdoors experience in the Evans Notch area.

The Camp continues to be a popular vacation choice for many and operates at close to capacity each year. You are encouraged to send in your reservation postmarked April 1st for best results. Volunteers who contribute 25 or more hours service to the Camp will receive priority. We believe that a week at Cold River Camp continues to be a good value for individuals and families alike.

Our CRC Reunion will again be held again in the Boston metropolitan area this year on March 27th in Bedford, MA. We hope you take this opportunity to meet old CRC friends, to talk to the CRC Committee, staff and volunteers, and to enjoy yourself. We hope to see many of you there.

You will find a roster of Committee, volunteers and staff on page 12 of this brochure, along with areas of responsibility, so you know whom to contact if you have questions, concerns or good ideas to share. The committee, volunteers and staff contribute many hours and talents to make the Camp run each season. We thank them all for their efforts.

Cold River Camp is truly a unique treasure within the Appalachian Mountain Club. Its traditions are long-standing, yet it always provides a warm welcome to newcomers. We look forward to your enjoying its many benefits.

In my last year as Chair, I thank the many individuals who have assisted and supported me and I look forward to being part of the Cold River Camp family for years to come.

Jim Weston

## MANAGERS' LETTER

Lyme, NH, January 2004

Dear Friends,

"Three years, maybe five at the outside if things were really going well." That is what we said when we started as managers of Cold River in 1995! In many ways is hard to believe that this will be our tenth summer season in Evans Notch.

Over these years we have seen changes take place such as renovations, replacements, and improvements in service, but always made with the character of Cold River Camp in mind. We have watched Elizabeth and David grow up having summer experiences few kids can dream about. We have been wonderfully supported by the Camp Committee and blessed to have had Mark Winkler, Dick Birch and Jim Weston as Chairs so far during our tenure. We have made literally hundreds of friends, so is it any wonder we keep coming back as long as you say you will have us?!

This summer is already off to a good start as Meg Holland and Todd Barber have agreed to return as Assistant Manager and Chef respectfully. Their presence will assure that the quality of the food and the experience of being at Cold River will just keep getting better. Several of the crew will return as well along with a sprinkling of bright, new faces.

We hope you will join us this summer. With all the special things about Cold River, we may not be the only reason you keep coming back, but you definitely are the reason that we do!

Bill and Kathy Waste

### AMC Acknowledgment and Assumptions of Risks & Release and Indemnity Agreement

The AMC maintains a general liability insurance policy insuring the Club and its volunteers against damages arising out of acts of authorized persons in furtherance of official club activities. As part of the agreements of this policy, effective for the 2004 season, all individuals, including those authorized to sign for minors (under 18 years of age) who attend Cold River Camp, must sign at the time of registration an AMC "Acknowledgment and Assumption of Risks & Release and Indemnity Agreement" Form (*copy after page 8*). Please note the following:

- 1) A signed form for **each** individual must be returned along with your Reservation Form. There must be a signature for **each** individual covered by the reservation. Each individual under 18 years of age must have one or both parent(s) or legal guardian(s) sign on their behalf.
- 2) Please make additional copies as necessary for your needs. Copies can also be downloaded from the AMC Website: [www.outdoors.org](http://www.outdoors.org) (Go to Lodging, Camps, and Cold River Camp).
- 3) A reservation form without signed Liability Waiver signatures for all individuals will not be considered.
- 4) There can be no changes to the form.

**Any questions concerning form or policy should be addressed to Pete Madeira, AMC Regional Outdoors Program Centers Director (617 523-0655 x300).**

Questions about the implementation of this form for Cold River Camp should be addressed to Jim Weston (Home Phone: 781 275 8034 /e-mail: [jrw46@aol.com](mailto:jrw46@aol.com)).

## CHATHAM TRAILS ASSOCIATION

Somersworth, NH, January 2004

Dear CTA Members and Friends,

2004 will be the eighty-third year of the Chatham Trails Association.

Last year over forty volunteers, including members of Trailwrights as well as CTA itself, came together on three work weekends in the spring and another in late fall, tending to our 37 miles of pathways in and near the White Mountain National Forest. Along with regular attention to maintaining clear, well drained, and readily followed trails, we continued the challenging task of upgrading routes which have deteriorated from overuse, such as the White Cairn Trail. On that route, a Forest Service crew also brought its expertise to bear. We also work with the USFS and CRC in operating the Brickett Place Wilderness Information Center. Students and counselors from Summit Achievement also are ongoing participants in our trail activities.

As usual, our annual meeting will coincide with the CRC Reunion, and will be your chance to gather with fellow members, hear more about our future plans, and elect members of the CTA Board of Directors.

I also urge you to renew your CTA membership, by sending in our very nominal fee of \$5.00 per year, and/or by serving as a volunteer at one of our three work weekends this spring (May 24-26; May 31-June 1; and June 7-8). You automatically qualify for CTA membership by putting in at least eight hours of volunteer work. Those who contribute at least sixteen hours of work on CTA trails qualify for a free WMNF parking permit. Your financial support helps us as well, since maintenance costs roughly \$110 per mile for each of our 37 miles of trail.

Throughout this document, participants under 18 yrs. of age will be referred to sometimes as 'minor' or 'child,' and parent(s) and legal guardian(s) will be referred to collectively as 'parent(s)'. In consideration of the services of the Appalachian Mountain Club, Inc., a charitable, not-for-profit corporation, organized and existing under the laws of Massachusetts, and its sub-units, including all officers, employees, representatives, independent contractors, volunteers (including leaders and co-leaders), members and all other persons or entities associated with it (collectively referred to in this Document as 'AMC'), participant and Parent(s) of a minor participant, acknowledge and agree as follows:

**AMC educational and/or recreational activities** may include, but are not limited to hiking, biking, skiing, swimming, maintenance of trails and facilities, canoeing, kayaking, sailing, use of AMC cabins or other facilities and transportation or travel to and from activities (referred to in this Document as 'activities' or 'these activities'). **The leaders of most activities are volunteers. They are not paid professional guides or leaders.** In all activities, participants share in the responsibility for their own safety. I (and my Parent(s), if I am a minor) take responsibility for having appropriate skills, physical conditioning, equipment and supplies for these activities.

These activities include inherent and other risks, hazards and dangers that can cause or lead to injury, property damage, illness, mental or emotional trauma, paralysis, disability or death to participant or others. Some, but not all of these risks, hazards and dangers include: hazardous and unpredictable ground, water or weather conditions; misjudgments made by leaders, co-leaders, participants or others; travel in remote areas that can cause delays in transportation, evacuation and medical care; equipment that can fail or malfunction; the potential that the participant or others (e.g. co-participant, driver, medical and rescue personnel) may act carelessly or recklessly. I understand that AMC staff, leaders or other personnel cannot assume participant's safety or eliminate these risks. Participant is voluntarily participating with knowledge of the risks. Therefore, participant (and Parent(s) of minors) assume and accept full responsibility for the inherent and other risks of these activities (both known and unknown), and for any injury, damage, death or other loss suffered by participant (and Parent(s) of minors), resulting from those.

(1) to release and agree not to sue AMC, with respect to all claims, liabilities, suits or expenses (including attorneys' fees and costs) (hereafter collectively 'claim' or 'claims'), in any way connected with my/my child's enrollment or participation in these activities, or use of AMC equipment or facilities. I understand I agree here to waive all claims I may have against AMC, and agree that neither I, nor anyone acting on my behalf, will make a claim against AMC, as a result of any injury, damage, death or other loss suffered by me or my child;

(2) to defend and indemnify ("indemnify" meaning protected by reimbursement or payment) AMC with respect to all claims brought by or on behalf of me, my child, or a family member, in any way connected with my/my child's enrollment or participation in these activities or use of AMC equipment or facilities.

This Release and Indemnity Agreement includes any losses caused or alleged to be caused, in whole or in part, by the negligence of AMC (but not its gross negligence or intentional or reckless misconduct), and includes claims for personal injury, property damage, wrongful death, breach of contract or otherwise.

I agree that the substantive laws of Massachusetts govern this Document and all other aspects of my relationship with AMC, and that any mediation, suit, or other proceeding must be filed or entered into only in Massachusetts. Any portion of this Document deemed unlawful or unenforceable shall not affect the remaining provisions, and those remaining provisions shall continue in full force and effect.

## VOLUNTEERS NEEDED!!

Ever since its inception in 1919, Cold River has become so special largely due to efforts of a great many volunteers. Each year, we welcome new volunteers who come to camp for a weekend of hard work and great camaraderie, while enjoying Camp's special beauty in the late spring. Our camp keeps in trim, keeps expenses down, and offers service to others through efforts of many loyal volunteers. This year plan a CRC weekend working hard and enjoying the company and beauty of the Camp!

- **Opening Camp** (kitchen prep, cabin housekeeping, placing out of equipment (canoes, benches, etc.)
- **Spring Work Weekend** (kitchen prep, exterior painting, gardening)
- **AMC Naturalists Weekend Staff** (kitchen prep, some housekeep.)

We bring our own bedding and towels, rise early, share meal preparation, eat cafeteria style, get assignments, work all morning, break for lunch, work all afternoon, and relax for social time, dinner and talk around the fire. We have a good time together but work hard; this is an adult event, and kids under 16 are best left home. Each weekend will have its own manager to direct the work and the schedule.

Please make reservations to attend volunteer weekends through me. Sign up early as space is limited for some of the weekends! Your registering (with arrival and departure times) help us better plan for the work, the meals, and the fun. All volunteers will get confirmation and needed information. You can come for any part of the weekend. Come and experience the Camp from a different perspective. For questions, please call me at 718-237-9782 or e-mail me at chetkap@aol.com. Better yet fill out forms at right and send them now.

Chet Kaplan, Volunteer Coordinator 2004
