## CHAIRMAN'S LETTER

Wellesley, MA, January 2005

Dear Cold River Camp Friends,

As I sit here on a cold winter day with a blizzard outside my window, my thoughts turn to warmer weather and the beginning of another season for Cold River Camp in early July. The Cold River Camp Committee, volunteers and staff continue to plan for this upcoming summer. However, before I tell you more, I should mention a few significant transitions. First, I want to express the Committee's gratitude to **Jim Weston** for his efforts and accomplishments as Chair over the past four years. In addition, I want to acknowledge **Frank Mastro**, who has recently expanded his range of CRC volunteer activities by agreeing to be Vice Chair. **Paul Klee** has decided to retire as Extension manager, and I wish to thank him for his efforts in this important position. We are currently looking for a new Extension manager, and I encourage you to email or call me with any suggestions. Finally, I would like to express the Committee's gratitude to **Richard Foster**, whose term on the committee has expired, and who, after many years, is turning over the important duties of Camp Closing to **Bill Fuchs**.

I would like to highlight two new programs in 2004 that had major positive influences on Cold River Camp. We changed the date and scope of the Work Weekend by expanding it to become a family work weekend. In addition, the Work Weekend moved from Memorial Day weekend to a weekend in June. The new CRC Family Work Weekend (on June 18-19 in 2005) more than achieved its goals in 2004 of significantly increasing volunteer participation as well as accomplishing a large amount of needed painting and repairs. This past year also saw the re-introduction of a Croo Kitty during the regular summer season. This low-key program was purely voluntary. The Kitty was added in response to past comments from guest's concerning their desire to be able to thank the crew, and as way to encourage the Croo to interact more with the guests. We believe that this program was highly successful last year, and plans are to continue it in 2005.

As we look forward to the 2005 Season, I am pleased to tell you that

*(Continued on page 3)*

**Bill and Kathy Waste** are returning as Camp Managers and that **Meg Holland** will be the Assistant Manager for the summer season. We look forward to their making your visit to Evans Notch a great experience of hikes, canoe trips, naturalist activities, good food and wonderful company.

The Committee remains actively engaged in an ongoing maintenance program to assure the safety, accessibility, and comfort of our guests. This includes scheduled repairs of the ravine cabins, and others. In keeping with the traditions of Cold River Camp, most of these changes are hardly noticeable, and for those that are, we hope that the consideration of your safety and comfort is recognized.

The Camp continues to be a popular vacation choice for many and operates at close to capacity each year. You are encouraged to send in your reservation postmarked April 1<sup>st</sup> for best results. Volunteers who contribute 25 or more hours of service to the Camp will receive priority. We are instituting a new Youth rate (see 2005 Season Rates) for families with teenagers. We believe that a week at Cold River Camp continues to be a good value for individuals and families alike.

This year's Cold River Camp Reunion is being broken up into two pre-spring gatherings, both on March 19<sup>th</sup> in the Boston and New York metropolitan areas (see inside for more details). Each of these reunions will consist of a local hike/walk followed by lunch for those that are interested at a nearby restaurant. After numerous years of declining attendance, the Committee hopes that these more informal gatherings covering a wider geographic area will attract greater participation.

A roster of the Committee, volunteers, and staff, along with their areas of responsibility is included in this brochure so you will know whom to contact if you have questions, concerns, or good ideas to share. The committee, volunteers, and staff contribute many hours and talents to make Cold River Camp happen each year, and we thank them for their efforts.

Cold River Camp is a unique treasure within the Appalachian Mountain Club. Its traditions are long-standing, yet it always provides a warm welcome to newcomers. We look forward to your enjoying its many benefits.

## MANAGERS' LETTER

Lyme, NH, January 2005

Dear Friends,

As I WRITE THIS, I have just come back from a two-day conference at *The Balsams Grand Resort* in Dixville Notch. While my purpose here is to promote Cold River Camp, some things at *The Balsams* were very impressive: 15,000 acres, capacity for 400 guests, 350 employees, 6-course dinners, 5 star ratings! You can also spend more on one night at *The Balsams* than for your entire week at Cold River!

In the end, what impressed me more were not the differences between *The Balsams* and Cold River but the similarities. When I asked the executives what made *The Balsams* so special, they spoke about the relationship with their guests, not their facilities or menu. They spoke about how their guests feel that it is their second home, of the special bonds between guests and staff, and of how guests feel "ownership," (they have their own rooms, table in the dining room, and friends they come back to see year after year). They spoke of how families have returned for generations and gather for reunions. They claim with great pride that their returning guest rate is over 80%.

Does all that sound a bit familiar? Turns out the biggest difference between Cold River and *The Balsams* is that our returning guest rate is over 90%! Cold River Camp will never be a "grand hotel," it will never pretend to be, and it will never want to be. However, we can rightfully claim to be among the very best in the things that matter most when people come to a special place to spend time with family and friends.

We look forward to welcoming you back to your special place this summer.

## AMC Acknowledgment and Assumptions of Risks & Release and Indemnity Agreement

The AMC maintains a general liability insurance policy insuring the Club and its volunteers against damages arising out of acts of authorized persons in furtherance of official club activities. As part of the agreements of this policy, effective since the 2004 season, all individuals, including those authorized to sign for minors (under 18 years of age) who attend Cold River Camp, must sign at the time of registration an AMC "Acknowledgment and Assumption of Risks & Release and Indemnity Agreement" Form (copy after page 8).

Please note the following:

- 1) A signed form for **each** individual must be returned along with your Reservation Form. There must be a signature for **each** individual covered by the reservation. Each individual under 18 years of age must have one or both parent(s) or legal guardian(s) sign on their behalf.
- 2) Please make additional copies as necessary for your needs. Copies can also be downloaded from the AMC Website: [www.outdoors.org](http://www.outdoors.org) (Go to Lodging, Camps & Cold River Camp).
- 3) A reservation form without signed Liability Waiver signatures for all individuals will not be considered.
- 4) There can be no changes to the form.

Any questions concerning form or policy should be addressed to Paul Cunha, AMC White Mountain Program Centers Director Director (603-466-2721 x112).

## CHATHAM TRAILS ASSOCIATION

Somersworth, NH, January 2005

Dear CTA Members and Friends,

AS YOU SET OUT ON A GUIDED HIKE or perhaps sign out on the Cold River "Wanderers' List" to ramble on your own this summer, it is likely that you will encounter the handiwork of the Chatham Trails Association. Every spring, our volunteers fan out from the Camp onto the thirty-plus miles of footpaths that CTA maintains. We not only tackle the obvious needs, such as removing blowdowns and other debris, and pruning encroaching vegetation, but also less obvious tasks. Cleaning ditches and waterbars may seem tedious, but it often makes the difference between muddy, eroded treadway, and one that is well-drained and is a pleasure to walk on. In recent years, in addition to these routine chores, CTA has addressed a number of locations, such as the White Cairn and lower Blueberry Ridge Trails, where heavy use required more extensive attention. In recognition of our close relationship with CRC, we are continuing to give time and energy to rehabilitation of the woodlands on the Cold River "campus." Last year, we saw as well an excellent season at the Brickett Place Wilderness Information Center, also an ongoing cooperative venture of CTA, CRC and the White Mountain National Forest.

In 2005, due to the change in the format of the Cold River "Spring Gatherings" (as Reunion has become), the **Annual Meeting of CTA** will be held during the first of our three spring work sessions, over **Memorial Day weekend (May 28-30)** at Cold River Camp. We extend an invitation to join us then. This year we are also inaugurating the CTA Adopt-a-Trail Program, which allows volunteers an opportunity to work on a favorite trail on a schedule convenient to them.

If you are not already a CTA member, or have not yet renewed your membership for 2005, you are welcome to use the form at left and forward it and your \$5.00 annual dues to Robert Goeke, Treasurer.

## Cold River Camp Annual Reunions

### BOSTON & METRO NEW YORK

### SATURDAY, MARCH 19, 2005 @10AM

PLEASE JOIN US AT EITHER COLD RIVER REUNION sites on March 19<sup>th</sup>. We are expanding the reach of reunions to include one in Boston and in New York City. Both reunions will meet at 10 a.m. on March 19<sup>th</sup> and include several hours of a local walk/hike followed by lunch at a nearby restaurant (details below). Each person is responsible for their meal cost. We hope that this new format makes it easier for more people to attend.

#### BOSTON AREA Reunion on March 19<sup>th</sup>

The Boston reunion will include a 2-to-3 hour casual walk at Crane's Beach followed by lunch at Woodsman's (*Home of the Fried Clam*) at around 1 to 1:30 PM or so. Please plan on bringing some cash since the restaurant may not accept credit cards. There are a number of possible hiking options including dune trails, the beach itself, or a combo of a beach walk up to Castle Hill with a stroll around the Crane Mansion grounds, and back down a dune path to the parking lot. We will meet at the main bathhouse of Crane Beach parking lot at 10 AM. Directions to Crane Beach according to The Trustees of Reservations who manage Crane Beach: From Route 128 north (towards Gloucester), take exit 20A (Route 1A north) and follow for 8 miles to Ipswich. Turn right onto Route 133 east and follow for 1.5 miles. Turn left onto Northgate Road and follow for .5 mi. Turn right onto Argilla Road and follow for 2.5 miles to Crane Beach gatehouse at end of paved road. Once you drive past the gatehouse for the beach, non-Ipswich residents must go to the right for parking in a very large lot. There are a few buildings at the left end of the lot, which include the main bathhouse. This main bathhouse is at the left of the large parking lot. Leona Florek, Sally Morris, and Bill Fuchs are coordinators of this reunion event.

#### METRO NEW YORK Area Reunion on March 19<sup>th</sup>

The New York reunion includes a 2-to-3 hour walking tour of Historic Brooklyn Heights. This will include a brisk walk across the Brooklyn Bridge on a late winter morning. Following our tour we will have lunch in a comfortable casual Polish restaurant near the famous Promenade. We will meet in front of City Hall in Manhattan outside the Brooklyn Bridge train station (IRT #4,5, or 6) at the foot of the Brooklyn Bridge at 10 am. Chet Kaplan is coordinator of this event.

## VOLUNTEERS NEEDED!!

Ever since its inception in 1919, Cold River has become so special largely due to efforts of a great many volunteers. Each year, we welcome new volunteers who come to camp for a weekend of hard work and great camaraderie, while enjoying Camp's special beauty in the late spring. Our camp keeps in trim, keeps expenses down, and offers service to others through efforts of many loyal volunteers. This year plan a CRC weekend working hard and enjoying the company and beauty of the Camp!

- **Opening Camp** (kitchen prep, cabin housekeeping, placing out of equipment (canoes, benches, etc.)
- **Spring Work Weekend** (kitchen prep, exterior painting, gardening)
- **AMC Naturalists Weekend Staff** (kitchen prep, some housekeep.)

We bring our own bedding and towels, rise early, share meal preparation, eat cafeteria style, get assignments, work all morning, break for lunch, work all afternoon, and relax for social time, dinner and talk around the fire. We have a good time together but work hard; this is an adult event, and kids under 16 are best left home. Each weekend will have its own manager to direct the work and the schedule.

Please make reservations to attend volunteer weekends through me. Sign up early as space is limited for some of the weekends! Your registering (with arrival and departure times) help us better plan for the work, the meals, and the fun. All volunteers will get confirmation and needed information. You can come for any part of the weekend. Come and experience the Camp from a different perspective. For questions, please call me at 718-237-9782 or e-mail me at chetkap@aol.com. Better yet fill out forms at right and send them now.

Chet Kaplan, Volunteer Coordinator 2005

### "Growing Up" with Cold River Camp Family Work Weekend

Come join us for a new and exciting way to be a volunteer one day and enjoy Camp for another day with other families and Cold River Campers. Work on an assigned Camp project all day Saturday (Projects will not be suitable for young children, so one parent must be responsible for them at all times). Enjoy activities in Camp on Sunday. You may stay in Camp Sunday night, but we need to know ahead of time. Interested? Please fill out form ASAP, but before June 1st
