#### **COLD RIVER CAMP PROVIDES:**

- lodging in cabins (most with fireplaces or wood stoves, most without electricity but with kerosene lamps, each bed with a bare pillow & wool blankets),
- firewood for community buildings and cabin fireplaces & stoves,
- all meals (hot dinner & breakfast, trail lunch), served cafeteria style
- ice for coolers etc.,
- recycling and trash disposal,
- limited wifi access; there is no reliable cell phone service,
- a camp manager and volunteer staff, and
- use of all Camp facilities (bath houses with hot & cold showers, tubs, etc.; Rec Hall for evening programs, music, ping-pong, games, etc.); the quiet library; the Lodge (with books, games, fireplace, socializing); and grounds (including the fire pit, trails around and from Camp, and the Cold River dam & swimming area).

**YOU ARE RESPONSIBLE FOR BRINGING YOUR OWN LINENS/SLEEPING BAGS** (sheets or sleeping bags, plus pillow cases & towels), in addition to personal gear appropriate to the rustic nature of Camp (e.g. a headlamp, bug repellant), planned activities (e.g. boots for wetlands), and expected weather conditions (trips are rain or shine). Kitchen facilities will not be available to you; thus, for example, plan to bring coolers and use Camp ice for cold storage needs, if any.
